SUMMARY

I'm 23 years old, I'm a Game Dev Technician and I've been using Unity Engine for 4 years.

I love learning and doing research on *new concepts and areas*, mainly focusing on **Unity Game Development**. I'm looking forward to joining a team and face *new challenges*, to continue developing my skills and knowledge.

EDUCATION

Bachelor of Natural Sciences

Instituto Cristo Rey, Lezama | 2018

Diploma of Game Development

Universidad Tecnológica Nacional, Buenos Aires | 2019
